QA/QC Platform for Scan-to-BIM Projects

Please fill your Email and Password. Then click Sign in button.

After successfully logging in, you will see the following interface:

The screenshot displays a user interface for project management. At the top, there is a navigation bar with a logo on the left, a 'Dashboard' button highlighted with a red dashed box, and other menu items: 'Issues Management', 'ITP Management', and 'As-built Drawing'. On the right of the navigation bar, there is a user profile icon for 'Tom'.

The main content area is titled 'Dashboard' and provides an 'Overview of your Scan-to-BIM projects'. A '+ New Project' button is highlighted with a red dashed box. Below this, there are four summary cards:

- Active Projects: 2
- Open Issues: 101
- Resolved This Week: 0
- Critical Issues: 0

The 'Active Projects' section shows two project cards:

- PRJ01 Active**: Origin - Epping 1, Forte Sydney. Zone Approval: 78%. Metrics: 101 Open Issues, 0 Resolved, 9 Team, 3/3 Zones. Address: 39 Essex St, Epping NSW 2121, Australia. Date: 1/1/2026.
- PRJ02 Active**: BELMORE ST BURWOOD, Forte. Zone Approval: 100%. Metrics: 0 Open Issues, 0 Resolved, 2 Team, 0/0 Zones. Address: Belmore St Burwood, NSW 2134. Date: 6/22/2026.

The 'Recent Activity' section lists several events:

The 'Projects' section is titled 'Manage your Scan-to-BIM project portfolio'. It features a 'Map' button and a '+ New Project' button highlighted with a red dashed box. Below the buttons is a map of Sydney, Australia, with two project locations marked: 'Origin - Epping 1' and 'BELMORE ST BURWOOD'.

The Dashboard screen shows your participating projects and shows general information such as the number of open issues, resolved issues and critical issues.

For Project Admin, you can create a new project. When you click the New Project button, you will get a screen to fill in your project's information in the form.

The image shows a project management dashboard with a 'Create New Project' modal form overlaid. The dashboard includes a navigation bar with 'Dashboard', 'Issues Management', 'ITP Management', and 'As-built Drawing'. The main content area has a 'Dashboard' section with a 'New Project' button and four summary cards: '2 Active Projects', '101 Open Issues', '0 Resolved This Week', and '0 Critical Issues'. Below this is an 'Active Projects' section with two project cards: 'Origin - Epping 1' (78% approval) and 'BELMORE ST BURWOOD' (100% approval). A 'Recent Activity' section on the right shows a list of user actions. The 'Create New Project' modal form is centered, with a red dashed border, and contains the following fields: Name (Project name), Code (PRJ001), Client (Client name), Location (City, Country), Target Date (dd/mm/yyyy), and Description (Project description...). The form has 'Cancel' and 'Create Project' buttons at the bottom. Below the modal is a 'Projects' section with a map view showing the locations of 'Origin - Epping 1' and 'BELMORE ST BURWOOD' on a map of Sydney.
